

## Open My Eyes

The Move

Underneath your gaze I was found in  
The haze I'm wandering around in  
I am lost in the dark of my own room  
And I can't see a thing but the fire in your eyes

Clear my eyes, make me wise  
Or is all I believe in lies  
I really don't know when or where to go  
And I can't see a thing 'til you open my eyes

I've been told by some you'll forget me  
The thought doesn't upset me  
I am blind to whatever they're saying  
And all I can see is the fire in your eyes

Can't believe that it's on your mind  
To leave me behind
