

# Elephant

## The Movement

Let them come and say I'm weak  
I have learned to listen up before I speak  
Nah, nothing they can say can reach  
I am the jungle, I am the beach  
I am a wave crashing on the sea  
My people are the ocean and they surround me  
Yeah  
Time may fly by, an eagle in the sky  
But this moment here is so grounding  
So let me hear ya say

Ayo (ayo), we never let 'em break us down  
Ayo (ayo), let 'em feel us shake the ground  
Ayo (ayo), we hit 'em with a thunderous sound  
Let me hear ya scream it  
Sing it like ya mean it  
Strong like a elephant  
Strong like a elephant

Let them come and tear me down  
I got deep roots planted in this ground  
Yeah  
They can try to dig me out  
I am the forest, I am a cloud  
I am the thunder, I'm the champion sound  
My music be a war cry upon the crowd  
Now  
Let 'em feel the rush, a lion in the brush  
Then they never heard a roar so loud

Ayo (ayo), we never let 'em break us down  
Ayo (ayo), let 'em hear us shake the ground  
Ayo (ayo), we hit 'em with a thunderous sound  
Let me hear ya scream it  
Sing it like ya mean it  
Strong like a elephant  
Strong like a elephant  
Strong like a elephant  
Strong like a elephant

Strong like a elephant  
Strong like a elephant

We got a lotta ting to say  
They gotta not let freedom reign  
But I got a mic, what, am I gonna lie  
Gonna die before I let my people pay  
They been a slave to them evil ways  
Rats tryin to play on a steeplechase  
Tied to the tie when they're tryin to fly  
Wonder why humankind be a feeble race  
What kind of world can we leave to the fates  
I see them tears streamin down their face  
When the kids lookin up and they hand us a cup  
What the fuck can we give but a big disgrace  
Government gotta change their ways  
That's for certain but it's sad to say

Most of us here gotta do the same  
And when we do it then we exclaim  
"All my life they've been wrong  
All this time I was strong  
All my life they were wrong  
All this time  
Strong like a elephant  
Strong like a elephant"

Ayo (ayo)  
Ayo (ayo)  
Ayo (ayo)  
Ayo (ayo)  
Strong like a elephant  
Strong like a elephant
