### The Movement

Some folks say that smoking herb is a crime  
If they catch you smokin' they're bound to drop the dime  
Insufferable informa crazy fools  
Wait with their fingers crossed for you to break the rules  
And in the evening, we try to jam  
We like the music loud in this here band  
We let the bass line drop as loud as we can stand  
Somebody always gotta turn informa for the man  
I wanna know know right now, are you willing and able  
I don't care, you crazy fool

I'm in the mood  
Get ready  
I'm in the mood  
Come on now, yeah  
I'm in the mood  
Are you ready?  
I'm in the mood  
Come on now, yeah  
Come on

Load up the bong, crank up the song  
Let the informa' call 911  
Load up the bong, crank up the song  
Let the informa call 911  
And when security police force want to arrive  
Don't try to run, don't try to hide  
Just pull out the .9, pop in the clip, and let one slip  
Into these crazy fools

I'm in the mood  
Get ready  
I'm in the mood  
Come on now, yeah  
I'm in the mood  
Are you ready?  
I'm in the mood  
Come on now, yeah

Load up the bong, crank up the song  
Let the informa' call 911  
Load up the bong, crank up the song
