

Kind

The Movement

Could you be so kind
To get me off of your mind
'Cause I'm crazy for this
Yes I'm crazy for this
Could you be so nice
To never pass me right by
Lord because I was looking for this
I was looking for this
You were turning my insides blue
Turning me inside you
Turning my insides blue
You were turning me inside

Could you really be so kind
To get me off of your mind
Could you be so kind
To get me off of your mind
'Cause I'm crazy
