

# No Worry

## The Movement

No worry yourself  
No worry yourself  
Everything is moving on right on time

Yeah, life's a wild ride  
Time will change you  
Just look in a child's eyes  
Gotta slow down  
It takes a while  
I remember what it's like to smile a mile wide  
We know we have crossed a fine line  
Hard to see the sunrise  
Hard to see the signs  
But we keep on going  
The wind, it keeps blowing  
And we sail away to a better day  
Hey, I heard from a little bird  
You can't see the woods for the trees  
I think what we really need  
Is to figure out what it all means, yeah  
You know where you need to go  
If you're sitting in the sunshine  
Stuck up in the snow  
Gotta keep on going  
The wind, it keeps blowing  
And we sail away to a better day

No worry yourself  
Keep the faith that things are gonna get better baby  
No worry yourself  
Keep your love burning  
That light gonna shine  
No worry yourself  
Just keep the faith that things are gonna get better baby  
No worry yourself  
Everything is moving on right on time

Steady cool  
No need to play the fool  
When life is unfair  
Remember the golden rule  
Yeah we lay low, no need to take hold  
But stay awake  
Don't let em get ahold of you  
C'mon, feel the breeze, confidence, ease  
We're all the same thing  
The animals and the trees  
Yeah we're stardust  
And nothing but falling leaves  
It's time to drive baby  
You got the keys

No worry yourself  
Keep the faith that things are gonna get better baby  
No worry yourself  
Keep your love burning  
That light gonna shine

No worry yourself  
Just keep the faith that things are gonna get better baby  
No worry yourself  
Everything is moving on right on time

No worry yourself  
Keep the faith that things are gonna get better baby  
No worry yourself  
Keep your love burning  
That light gonna shine  
Just keep the faith that things are gonna get better baby  
No worry yourself  
Everything is moving on right on time

Right on time  
Right on time  
No worry yourself  
Everything is moving on right on time  
No worry yourself  
Everything is moving on right on time
