

Go Mental

The Mr. T Experience

Out of the hospital
Out against my will
Life is so beautiful
I've gone mental
Mental! Mental!
I've killed my family
They thought I was an oddity
Life is so beautiful
I am a vegetable
Mental! Mental!
I've gone mental
I've gone mental
Staring at my goldfish bowl
Popping phenobarbitol
Life is so beautiful
I've gone mental
Mental! Mental!
Sitting on my window sill
Life is so beautiful
I've become irrational
I've gone mental
Mental! Mental!
I've gone mental.
