## The Mr. T Experience

Yeah yeah she's the one Yeah yeah she's the one When I see her on the street You know she makes my life complete And you know I told you so She's the one She's the one Yeah yeah she's my girl Yeah yeah she's my girl When I see her on the street You know she makes my life complete And you know I told you so She's the one She's the one She's the one Know I'll never find a girl like you But in my heart I'll always love you But in my heart I'll always be true Yeah yeah she's my girl The best girl in the whole wide world
