

Zero

The Mr. T Experience

See the people playing the punk game. Now it's over ain't that
a damn shame.

Like a brick that smashed through the window get a gun and show
them what they

know. Zero, that's what it means. Talk about the girl with the
blond hair wake

up one day and she's not there. There's one looking just like h
er but it's the

wrong part of the picture.
