

Nothing for Me

The Muffs

Nothing for me
Nothing for me

I look around the trees
And saw nothing for me

Nothing for me
Nothing for me

I look around and 'round
There was nothing for me

Maybe somebody broke and took away
All the gifts for me
Why did they go to all the trouble then
To take my gift only

Nothing for me
Nothing for me

I look around the trees
And found nothing for me
For me
For me
For me
