

On My Own

The Muffs

Sitting down and don't stand up
I have a chance and that's enough
Don't ever let another one go by, now
Oh no

Look into my pretty face
To see just what? your disgrace
I know I'm good enough
And you can't catch me anymore

Now I'm on my own
And I thought I'd never do it
And I'm on my own
And it's what I have to do

It's well deserved, you earned it
And it's no surprise to me
I'm glad I did it sooner than later
Oh yeah

Maybe next time, maybe not
I'll show you everything I've got
I'll never let another one go by now
Oh no

Yeah, I'm on my own
The sooner the better
Away from you
I'm on my own
And it's what I have to do

I'm on my own
I'm on my own
I'm on my own
I'm on my own

Now I'm on my own
And I though I'd never do it
And I'm on my own
And it's what I have to do

And I'm on my own
The sooner the better
Away from you
I'm on my own
And it's what I have to do

I'm on my own
