

One Bullet

The Murder of My Sweet

It's in me
It's in you
we rarely can not choose
A building just fell on us
Ain't nothing left to do
Here are we
In the blue
Naked and so true
But it will never last
Nothing this good can last

(You can't say no!)
You and your blue eyes
(Don't ask for much!)
They rip my heart out
(Why can't this be love?)
It's like we're
cursed, but there's no one to blame

One hit
One shot
One bullet
For the murder of my sweet
Too late
Too wrong
Too perfect
Coz our love wasn't meant to be
One hit
One shot
One bullet
For the murder of my sweet
Bang! Bang!

Like the smoke from my gun
Scatters when it's done
We become memories
Nothing but memories

(You can't say no!)
You and your blue eyes
(Don't ask for much!)
They rip my heart out
(Why can't this be love?)
It's like we're
cursed, but there's no one to blame

One hit
One shot
One bullet
For the murder of my sweet
Too late
Too wrong
Too perfect
Coz our love wasn't meant to be
One hit
One shot
One bullet

For the murder of my sweet
Bang! Bang!
Good bye my love
Bang! Bang!
Erase our love

Like two butterflies you and I
We reach for the sky, like Icarus burned
by the sun

One hit
One shot
One bullet
For the murder of my sweet
Too late
Too wrong
Too perfect
Coz our love wasn't meant to be
One hit
One shot
One bullet
For the murder of my sweet
Bang! Bang!
Good bye my love
Bang! Bang!
Erase our love
For the murder of my sweet
