We're so nearly
You wanna get where we are
You love me
Love me
Love me
Love me yeah
I wanna be where you're love is higher
People getaway from this love which is mine
I want to be free

I want to be free
Want to be free
You wanna be free
Wanna be free
You wanna be free
Wanna be free
You wanna be free
In my insecurity (oh ooh oh)
In my insecurity (oh ooh oh)

You want this love
You want it so
Not emo
Not emo
Not emo
Not emotion yeah
I wanna be where the sun shoots higher
people getaway from this love that is mine

You want to be free
Want to be free
You wanna be free
Wanna be free
You wanna be free
Wanna be free
You wanna be free
In my insecurity
In my insecurity
Yeah in my insecurity
In my insecurity

Bah bah bah bah yeah
Bah bah bah bah yeah
Bah bah bah bah bah yeah
Bah bah bah bah bah bah bah bah bah bah

Love is here
We float
Time is not here now
Lost
When you hit the ground
Feeling to float
My ship is stuck here
Feeling to float
My ship is stuck here
Feeling to float
My ship is stuck here
Feeling to float
Feeling to float
My ship is stuck here
Feeling to float

My ship is stuck here

Feeling to float

Love in my boat

Feeling to float

Love in my boat

feeling to float

Show me your love

Feeling to float

Love in my boat

Love in my boat

Feeling to float

Love in my boat
