

Nature

The Mutton Birds

Through falling leaves
I pick my way slowly
Talking aloud
Eases my my mind

Sunlight filters through
I fell my head is drifting
So full of thoughts
I've thought of

What am i gonna do
I need some thoughts that are new

Do do do do dodo dodooo
Do do do dodo dooo
Do do dit do do do ditdo dooo
Nature into me!

Up in a tree
A bird sings so sweetly
Nature's own voice
I hear

Rustling rustling leaves
Turning breeze to speech
Call to me now
Ease my mind

I'll turn something new
Minds layed with dew

Do do do do dodo dodooo
Do do do dodo dooo
Do do do do do do ditdo dooo
Nature into me! (Yeah!)

I'll turn something new
Minds layed with dew

Do do do do dodo dodooo
Do do do dodo dooo
Do do do do do do ditdo dooo
Nature into me! (Yeah!)

Do do do do dodo dodooo
Do do do dodo dooo
Do do do do do do ditdo dooo
