## The Mysterines

I was willing and able  
But I was caught in your jaws  
You caught me standing on the table  
I saw you watching me fall  
I was right in the fire  
I was down on my knees  
For you said that desire  
Oh, it's such a dangerous thing

It's such a danger  
It's such a danger  
Oh, it's such a dangerous thing  
It's such a danger  
It's such a danger  
Oh, it's such a dangerous thing  
(Ooh, ooh)  
(Ooh, ooh)

I was sinking but tainted  
I was shot by the gun  
You had loaded my fate in  
I knew you did it for fun  
I was right in your fire  
I was down on my knees  
For they say that desire  
Oh, it's such the sweetest thing

It's such a danger  
It's such a danger  
Oh, it's such a dangerous thing  
It's such a danger  
It's such a danger  
Oh, it's such a dangerous thing  
(Ooh, ooh)  
(Ooh, ooh)  
It's such a danger  
It's such a danger  
Oh, it's such a dangerous thing  
It's such a danger  
It's such a danger  
Oh, it's such a dangerous thing

(Oh, it's such a dangerous thing)  
Don't you ever come back  
(Oh, it's such a dangerous thing)  
Watch me as I let go  
(Oh, it's such a dangerous thing)  
Don't you ever come back  
(Oh, it's such a dangerous thing)  
Watch me as I let go

Watch me as I let go  
Watch me as I let go  
(Ooh, ooh)
