

Glow

The National Parks

I have fell the cold
Seeing deep into my bones
And I have build to fire
Just to watch it burn to cause
I've been in the sky
To be brought back down below
Like walking in a desert
And seeing water on the road
But I saw something new
When I saw your glow
Into the night
And light up my world
Is this what it's like
Oh oh oh
Is this what it's like
Oh oh oh
Is this what it's like
Oh oh oh
Is this what it's like

Oh oh oh
When you were just a stranger
Did you know you had my heart
Did it feel like forever
When we were standing at the stars
Cause I saw something new
When I saw your glow
Into the night
And light up my world
Is this what it's like
Oh oh oh
Is this what it's like
Oh oh oh
Is this what it's like
Oh oh oh
Is this what it's like

Oh oh oh
Oh oh oh

Oh oh oh
Oh oh oh

And I will stay
And I will be the wind
To hear a scar upon your heart and take the flavor from your skin
Is this what it's like
Is this what it's like
Is this what it's like

Oh oh oh
Is this what it's like
Oh oh oh
Is this what it's like
Is this what it's like
Oh oh oh
Oh oh oh

Oh oh oh
