

Can't Make You Change

The Nearly Deads

Waking up on the floor and
Our daily trips to the liquor store
I want something more
But you love your demons more than
You could ever love me
We were incomplete

I can't tell you what to do with your life
But I can tell you I don't wanna be a part of it
I should've walked away yesterday
'Cause I know I can't make you change
I can't tell you where to go in this life
But I can tell you I don't wanna go along with you
I should've walked away yesterday
'Cause I know I can't make you

You think I don't accept you
But you've been buying your own truth
If you only knew what I've been through
You love your medicine more
Than you will ever love me
I can't compete
I'll never get through to you

I can't tell you what to do with your life
But I can tell you I don't wanna be a part of it
I should've walked away yesterday
'Cause I know I can't make you change
I can't tell you where to go in this life
But I can tell you I don't wanna go along with you
I should've walked away yesterday
'Cause I know I can't make you change

I can't tell you what to do with your life
No matter what I try you always seem to stay the same
I should've walked away yesterday
'Cause I know you won't change

I can't tell you what to do with your life
But I can tell you I don't wanna be a part of it
I should've walked away yesterday
'Cause I know I can't make you change
I can't tell you where to go in this life
But I can tell you I don't wanna go along with you
I should've walked away yesterday
'Cause I know I can't make you
