## The Nearly Deads

You wanna take a look inside my head  
You wanna analyze the things I've said  
Well, here we go again  
I know what you're gonna find  
I know I've sought revenge  
That I've cheated and I've lied  
I've been selfish and unkind  
And reckless and unwise  
There's nothing you can say to change me  
I need to save myself  
But you asked so here we go, oh

Welcome to the freakshow  
All my friends are here  
Jealousy and love, envy, lust, corruption, fear  
Welcome to the headache  
I wake up with everyday  
Be careful what you wish for  
Or you'll end up just like me  
You'll end up just like me, just like me  
You'll end up just like me, just like me

I can't be perfect all the time, you see  
This pressure's building up inside of me  
Be beautiful and happy  
And smiling all the time  
And don't you ever let them see you cry  
Go ahead and tell me that I've failed, who cares  
There's nothing you can say to change me  
I need to save myself  
Oh, here we go, oh
