

Halfway to Nowhere

The Nearly Deads

No destination
No reservations
I can't wait to get away
Finally breathing
'Cause I'm finally leaving
Nothing getting in my way

I don't know where I am
Don't know where I'm going
I'm halfway to nowhere, to nowhere
I got the windows down
I got the radio turned up
I'm halfway to nowhere, to nowhere
Halfway to nowhere

I'm not stopping
I hear it calling
The place where the sun meets the sky
I start to fly
An endless ride
A feeling that I can't describe

I don't know where I am
Don't know where I'm going
I'm halfway to nowhere, to nowhere
I got the windows down
I got the radio turned up
I'm halfway to nowhere, to nowhere
Halfway to nowhere

I don't know where I am
Don't know where I'm going
I'm halfway to nowhere, to nowhere
I got the windows down
I got the radio turned up
I'm halfway to nowhere, to nowhere

I don't know where I am
Don't know where I'm going
I'm halfway to nowhere, to nowhere
I got the windows down
I got the radio turned up
I'm halfway to nowhere, to nowhere
Halfway to nowhere
