

# Punk Rock Kitty Cat

The Nearly Deads

Runt of the litter, cast-aside  
I fought and I clawed and I dug inside  
To pave a way, everyday  
A road to me born out of need

So get off the fence  
Let me whisker you away

Cuz I'm a punk rock kitty cat  
Looking fierce and acting frisky  
Punk rock kitty cat  
Taking naps and lapping whiskey  
Punk rock kitty cat  
Gettin' faded, catnip wasted  
Look at me, look at me-owww  
Look at me, look at me-owww

I just want to sieze the day  
Up all night it's time to play  
Chill all my worries away  
So lazy, going stir-crazy

Get off the fence  
Let me whisker you away

Cuz I'm a punk rock kitty cat  
Looking fierce and acting frisky  
Punk rock kitty cat  
Taking naps and lapping whiskey  
Punk rock kitty cat  
Gettin' faded, catnip wasted  
Look at me, look at me-owww  
(1, 2, 3, 4!)  
Look at me, look at me-owww

Tatted up, matted up  
Snap it up, lap it up  
Eatin' treats and gettin' fat  
I'm feelin' sleepy, I need a nap

Cuz I'm a punk rock kitty cat  
Looking fierce and acting frisky  
Punk rock kitty cat  
Taking naps and lapping whiskey  
Punk rock kitty cat  
Gettin' faded, catnip wasted  
Look at me, look at me-owww  
(1, 2, 3, 4!)  
Look at me, look at me-owww  
Look at me, look at me-owww  
Look at me, look at me-owww

(Huh, hahahahaha)
