

Too Serious

The Neighbourhood

If I could change your mind
Then I would for sure, no doubt
If I could take back time
Then I would reverse it now
I never asked to be here
But it ended up that way
When I look in the mirror
I can see you stare at me, mhm

Now I feel like I'm broken
Now I feel like I'm choking
How I wish I was joking with you

If I could laugh through more
I know that it'd be good for me
It's such a task to ignore
All the things they try to feed me
Every day, no escape, so much fake
Where's the shame?
Will this chain ever break?

'Cause, now I feel like I'm broken
Now I feel like I'm choking
How I wish I was joking with you

I'm way too serious
But I've always been that way
Too serious
I never found time to play
And now, it's bringing me down, it's bringing you down too
Way too serious
I'm way too serious
You know, you know, you know

Now I feel like I'm broken
(I feel like I'm broken now)
Now I feel like I'm choking
(I feel like I'm choking now)
How I wish I was joking with you
(I feel like I'm broken now)

(I feel like I'm broken now)
Now I feel like I'm broken
(I feel like I'm choking now)
Now I feel like I'm choking
(I feel like I'm broken now)
How I wish I was joking with you
