

Amnesia Vagabond

The Network

Traveling through time and space
Bandages across my face
Intergalactic man on the run
Who am I? What have I done?

Am I the only one?
Amnesia Vagabond

How much fuel have I consumed?
And what year is this, that I've traveled to?

Have I just hung here to die?
I can't remember who, where or why

Who am I?
Who am I?

Who am I?
