

# Flat Earth

The Network

I fell into a wormhole  
Trying to get proof  
I found out there's a controlled  
Alternate truth  
Some say the world is round  
But it's just no use  
We have a wall of ice  
That's encompassing you

I never had a problem  
Dissecting a man  
It's all a bunch of science  
Created by the ruling class  
To put us in a bubble  
To put us on the grid  
It was just a day trip  
That Columbus did

Flat Earth, flat Earth  
It's what we're living on  
If you think the world is round you're totally wrong  
Flat Earth, flat Earth  
It's what we're living on  
If you think the world is round then you're probably a moron

This plays into a massive  
Deep state hoax  
Trying to manipulate  
The sensitive folks  
Flat Earth, flat Mars  
And Mercury too  
I will not believe  
The facts to be true

Some say that Magellan  
Circled round the globe  
But there wasn't Google  
So how could they know  
His definite location? (Hm!)

And that makes me think  
Another fake story  
Another ship sinks

Flat Earth, flat Earth  
It's what we're living on  
If you think the world is round you're totally wrong  
Flat Earth, flat Earth  
It's what we're living on  
If you think the world is round then you're probably a moron

Flat Earth, flat Earth  
It's what we're living on  
If you think the world is round you're totally wrong  
Flat Earth, flat Earth  
It's what we're living on  
If you think the world is round then you're probably a moron

You don't even know  
(You don't even know)  
You don't even know  
(You don't even know)  
You don't even know
