

Ruthless

The Never Ending

You say, you say, forever, runaway, you and me, together
I bought a ticket at the train
Waited for you by the plane
You never showed, no not ever
You know, you know, that was ruthless
You were young, you were dumb and you're foolish
Fool me once and shame on you
Fool me twice I shame for two
But you know just what to do

Oh oh oh oh
Your goodbye is no good to me
Oh oh oh oh
No more I'm never coming back
I'm never coming back
I'm never coming back
I'm never coming back back back back to you

You swore, you swore that it's in my hands
No more no more another second chance
I ain't got the time for you
I tell you what I'm gonna do
I'm leavin' all this time I'm through

Oh oh oh oh
Your goodbye is no good to me
Oh oh oh oh
No more I'm never coming back
I'm never coming back
I'm never coming back
I'm never coming back back back back to you

You don't know
You don't have to go-oh
You don't have to go oh-oh
You don't have to go
You don't have to go
But you can't stay here

I'm never coming back
I'm never coming ba-a-ack
I'm never coming back
I'm never coming back back back to you
I'm never coming back
I'm never coming ba-a-ack
I'm never coming back back back back to you
