

# When The Dark Falls

The Never Ending

The kettle can whisper  
The kettle can shout  
The pills can pull  
But they always give out  
Nothing can take me  
And less keeps me there  
'Cause sleep it's a beast  
Polar and bare

Tossing and turning  
Awake in the night  
Helplessly burning up  
In candlelight  
Holding up tightly  
To all that is real  
'Cause when the dark falls  
I'll burn what I feel

I don't think I know  
How to rest mellow and slow  
I just made my bed  
On the storm inside my head

My thoughts will stutter  
And my mind will race  
My heart is a bird and  
My head is a cage  
If I abandon  
Hope of a key  
Maybe the lock  
Will break and make free

I don't think I know  
How to rest mellow and slow  
I just made my bed  
On the storm inside my head

Hours and hours  
In the day  
Rest I spend awake  
Hours and hours  
In the night  
It's the rest I try to fight

I don't think I know  
How to rest mellow and slow  
I just made my bed  
On the storm inside my...
