

## Steer Me Right

The Neville Brothers

Steer me right, sweet Jesus  
Steer me right, don't let me fall  
Steer me right, sweet Jesus  
Be my all and all

I was runnin' behind that train  
Never could keep satisfied  
The appetite for destruction  
Keeps a man bound and tied

Shine your goodness down on me  
Oh Lord - from up above  
In my darkest hour  
Soothe me with your tender love

Steer me right, sweet Jesus  
Steer me right, don't let me fall  
Steer me right, sweet Jesus  
Be my all and all

My uncle Jolly used to tell me  
Son don't waste your youth  
Eyes blinded by fear and hatred  
Will never ever see the truth

I keep prayin' I'll find wisdom  
And the strength to carry on  
Oh Lord, be my helper  
Let they will in my life be done

Steer me right, sweet Jesus  
Steer me right, don't let me fall  
Steer me right, sweet Jesus  
Be my all and all
