

Until We Meet Again

The Neville Brothers

Goodbye is not a lover's word
It's something I could never say to you
Even though you tell me, tell me you are leaving
My heart can't believe it's true, oh no, oh no
I'll just say until we meet again
I'll just say until we meet again
I remember all the things we shared
The loving looks that we once knew
Babe, your eyes began to feel like they'll start crying
My memories will see me through, see me through
I'll just say until we meet again
I'll just say until we meet again
Although you leave my arms you'll never leave my soul
The love that I have for you within never grow cool
'Cause in the morning light and in the dark of night
Your fire will always burn in my soul
I'll just say until we meet again
Oh, darlin' I, I'll just say until we meet again
Oh, my love for you will never never grow cold
No, my love for you will never leave my soul
I'll just say until we meet again
Oh, I'll just say until we meet again
I'll just say until we meet again
I'll just say until we meet again
