Girl 6 (Oh, yeah...)

Hey...

Girl 6! (Hi there, what's your name?) Girl 6... (Oh, yeah...)

Girl 6! (I've got dark hair, I have a really big figure...) Girl 6... (Oh, yeah...)

All the way from the ghetto

No little man could sway (Ah ah ah!)

'Til she gets to the level

No price too big to pay (Yes! And it counts)

She keeps her pride in her pocket

Next to the milky way (hey)

Girl 6, what you wanna hear (I've got 38 D's)

Girl 6, listen to your fears (I've got a 25 inch waist) (Oh yeah)

Girl 6, laughing at a tear (I'm horny all the time)

Girl 6, I can make it as long as you are near

Passion fanatic, you can call this dame (Ooh yeah)

You can talk your sh-(Shut up already), no matter how lame (damn!)

The ego's landing on claims the fame

She got your number cause you're all the same (prime time...)

You know it's all good when she rock it

Heaven's only a phone call away (hey, girl 6, yeah)

Girl 6, what you wanna hear (I've got 38 D's)

Girl 6, listen to your fears (I've got a 25 inch waist) (Oh yeah)

Girl 6, laughing at a tear (I'm horny all the time)

Girl 6, I can make it as long as you are near

Girl 6

(You look so good!)

Girl 6 (Oh yeah)

(You know what I'm gonna do to you baby?)

What's the end to the way out (way out)

How do we get directions to this ever illusive route

What's the sister doing? Dignity is all she dreams about

Girl 6 in doubt (in doubt), hey...

(You'd be watching the game and I'd be on you tight

With that woman to man full court pressure defense)

Girl 6 (I've been on my feet all day...)

Girl 6 (And now I'm on my hands and knees)

G-G-Girl 6 (I sure would like to take a break so I can uh, talk to you) (Oh yeah)

Girl 6 (Oh, oh!) (I can take it no more honey, ah hah)

Girl 6

Girl 6 (We are gonna practice safe sex, aren't we?) (Oh yeah)

Girl 6 (I will make it, girl 6)

Girl 6 (Are you new?)

Girl 6 (Oh yeah)
