

Just an Old Fashioned Love Song

The New Seekers

Just an old fashioned love song
Playing on the radio
And wrapped around the music is the sound
Of someone promising they'll never go

You'll swear you've heard it before
As it slowly rambles on and on
No need in bringing 'em back
'Cause they've never really gone

Just an old fashioned love song
One I'm sure they wrote for you and me
Just an old fashioned love song
Coming down in three part harmony

To weave our dreams upon and listen
To each evening when the lights are low
To underscore our love affair with tenderness
And feeling that we've come to know

You'll swear you've heard it before
As it slowly rambles on and on
No need in bringing 'em back
'Cause they've never really gone

Just an old fashioned love song
Coming down in three part harmony
Just an old fashioned love song
One I'm sure they wrote for you and me

Just an old fashioned love song
Coming down in three part harmony
Just an old fashioned love song
One I'm sure they wrote for you and me

To weave our dreams upon and listen to a song
Just an old song coming down
Just an old song
What I'm sure they wrote for you and me

Just an old fashioned love song
Coming down in three part harmony
Just an old fashioned love song
One I'm sure they wrote for you and me

Just an old fashioned love song
Coming down in three part harmony
Just an old fashioned love song
One I'm sure they wrote for you and me

Just an old fashioned love song
Coming down in three part harmony
Just an old fashioned love song
One I'm sure they wrote for you and me

Just an old fashioned love song
Coming down in three part harmony

Just an old fashioned love song
