

Country Pie / Brandenburg Concerto No. 6

The Nice

Just like old Saxophone Joe
When he's got the hogshead up on his toe
Oh me, oh my
You know I love that country pie

Now listen to the fiddler play
When he's playing till the break of day
Oh me, oh my
You know I love that country pie

Oh blackberry, strawberry, lemon and lime
I don't care
Blueberry, apple, cherry, pumpkin and plum
Call me up for dinner, honey, I'll be there

Tie me on my big white goose
Come on and turn her loose
Oh me, oh my
You know I love that country pie

Just like old Saxophone Joe
When he's got the hogshead up on his toe
Listen to the fiddler play
When he's playing till the break of day

Me oh my, I love that country pie
Blackberry, strawberry, lemon and lime
I don't care
Blueberry, apple, cherry, pumpkin and plum
Call me up for dinner, honey, I'll be there

Take me down to Old Street
Little Jack Horner's got nothing on me
Oh me, oh my
You know I love that country pie

Just like old Saxophone Joe
When he's got the hogshead up on his toe
Oh me, oh my
You know I love that country pie

Listen to the fiddler play
When he's playing till the break of day
Oh me, oh my
You know I love that country pie

Blackberry, strawberry, lemon and lime
I don't care
Blueberry, apple, cherry, pumpkin and plum
Call me up for dinner, honey, I'll be there

Take me down to Old Street
Little Jack Horner's got nothing on me
Oh me, oh my
You know I love that country pie
