## The Nice

How did you hear today?  
Did your ears believe the humming bee?  
How did you hear today?  
For example, did you tune the breeze?  
Did your body play the music in your soul?  
Did you play it at forzando?  
Did you play it pianissimo?  
I'll give you for example, did you harmonize the trees?

How was your head today?  
For example, did you count the clouds?  
How was your head today?  
Did you jump for joy and shout out loud?  
Did your body sing the music from your soul?  
Did you sing it at forzando or did you whisper pianissimo?  
I'll give you for example  
You were lonely in a crowd

Did your ears believe?  
Did you ever listen to the droning of a swarm of humming bees?  
Do you believe?  
Have you ever tried to harmonize with and tune with the breeze?

Did you ever try to harmonize?  
Did you ever ever ever try to harmonize with the wind in the trees?  
Did you jump for joy?  
Did you count the clouds?  
Did you jump for joy?  
Shout out, shout out loud  
Did you sing it at forzando?  
Did you whisper?  
Did you listen more?

What did you see today  
That you used to see another way  
Of moving through the world about you  
Praying for another day?  
What did you see? What did you hear?  
How do you feel?  
You think it's real  
You're praying for an extra day  
It's already passed this way  
Give you for example, hey

How do you feel about it?

To just go out and shout it
