

# Tantalising Maggie

The Nice

Tantalising Maggie keeps a funny farm upstate  
Keeps her love awaiting when the hands are laying plate  
Drives an open sports car 'cause her boyfriend drives a plough  
So her father keeps on asking "What's that row?"

Tantalising Maggie has a way with all the boys  
Sneaks upstairs a-barefoot so her father miss the noise  
Eats her breakfast in a pan, saves to wash the dish  
Slides into the river and she hopes to catch a fish

Maggie Maggie, keep yourself up straight  
'Cause if you don't it will be too darn late  
Maggie Maggie, keep yourself up straight  
'Cause if you don't it will be too darn late

Tantalising Maggie

Tantalising Maggie keeps her perfume in the barn  
She shoots upstairs on Sunday when she visits funny farm  
She drives her car on platforms 'cause she hates the city streets  
Walks the last mile backwards, waves to all she meets

Maggie Maggie, keep yourself up straight  
'Cause if you don't it will be too darn late  
Maggie Maggie, keep yourself up straight  
'Cause if you don't it will be too darn late
