

# Addicted

## The Night Café

Closed minds don't open doors  
But you'll find you can see more than I

I'm addicted to you, I'm addicted to you and you know it  
I'm addicted to you, I'm addicted to you and you know

Let's go out to a house out by the countryside  
We'll go, just us two

I'm addicted to you, I'm addicted to you and you know it  
I'm addicted to you, I'm addicted to you and you know

Jump in to the pond  
It's not long, till you're home  
With me, then we'll go  
Everywhere together, oh...

Stop  
There's more to tell  
For years I've been cast under your spell

I'm addicted to you, I'm addicted to you and you know it  
I'm addicted to you, I'm addicted to you and you know

Jump in to the pond  
It's not long, 'til you're home  
With me, then we'll go  
Everywhere together, oh

I'm addicted to you, I'm addicted  
I'm addicted to you, I'm addicted

Jump in to the pond  
It's not long, till you're home  
With me, then we'll go  
Everywhere together  
Jump in to the pond  
It's not long, till you're home  
With me, then we'll go  
Everywhere, together (oh)

I'm addicted to you I'm addicted  
I'm addicted to you I'm addicted
