

Think It Over

The Night Café

Am I scared of my reflection?
Am I moving sideways?
Am I looking in the wrong direction?
Moving always

I know I'm in love
I feel like I'm flying
I'm in awe
She's the one
She takes care of me

Think it over
Think it over
I know that it takes time

Am I searching for redemption?
I am always
It feels like everything is changing
Moving always

I know I'm in love
I feel like I'm flying
I'm in awe
She's the one
She takes care of me

Think it over
Think it over
I know that it takes time
I find it's like I'm searching
For you
Think it over now

Takes time
Takes time
Takes time

Think it over
Think it over

I know that it takes time
I find it's like I'm searching
For you
Think it over now
