

Violent Indigo

The Night Flight Orchestra

It's been a long time, and I'm sure you know
It's just getting harder
Being without you in the afterglow
Of what should have been the start
Of a beautiful thing, and now
With the emptiness closing in
You're in my trajectory
You're the only thing that I need

Wheels are turning
I'm coming for you, my indigo
Like a wild fire burning
I'm coming for you, my indigo
Yes, the wheels are turning
I'm yearning for you, my indigo
Like a wild fire burning
I'm taking you home, my indigo

I've been waiting a long time to get close to you
If just for a moment
Those fleeting glimpses of the things you do
Was all that it took for me
To get easily lost, and now
I am paying the price, no way can I get over you
There's nothing I wouldn't sacrifice

Wheels are turning
I'm coming for you, my indigo
Like a wild fire burning
I'm coming for you, my indigo
Yes, the wheels are turning
I'm yearning for you, my indigo
Like a wild fire burning
I'm taking you home, my indigo

Wheels are turning
I'm coming for you, my indigo
Like a wild fire burning
I'm coming for you, my indigo
Yes, the wheels are turning
I'm yearning for you, my indigo
Like a wild fire burning
I'm taking you home, my indigo
