One With The Freaks

You'll no longer be kissed And kind, as you long for Intuition, as you have to Learn the lesson twice You'll no longer be kissed And kind, as you long for Intuition, as you have to Say the password twice

Have you ever, have you ever Been all messed up, Have you ever? Have you ever, have you ever Been all messed up, Have you ever?

You're the pin card, you're The lifeguard, you're the Information guy, but things Look much bigger on the Knees, on your knees. Miss the signal, miss the Signpost, lose the access to It all. and all of a sudden You are one with the freaks.

Have you ever, have you ever Been all messed up, Have you ever? Have you ever, have you ever Been all messed up, Have you ever?
