

## Puzzle

## The Notwist

One piece missing makes you small  
Could be a day  
Within a second you're alone

You want things that tell you exactly  
What you really are  
To make you feel complete

All I have is yours  
All I have is yours  
Because all I have is yours  
It's standing here in front of me

One piece missing makes you small  
Could be a day  
Without a second you're alone

I want things that tell me exactly  
What you really are  
To make you feel complete

All I have is yours  
Because all I have is yours  
Because all I have is yours  
It's standing here in front of me

All I have is yours  
Because all I have is yours  
Because all I have is yours  
It's standing here in front of me
