

One Fine Day

The Nylons

One fine day, you'll look at me
And you will know our love was meant to be
One fine day, you're gonna want me for your guy
Oh yeah

Those arms I long for will open wide
And you'll be proud to have me right by your side
One fine day, you're gonna want me for your guy
Yeah

Though I know you're the kind of girl
Who only wants to run around
I'll be waiting and someday, darling
You'll come to me when your world is upside down, oh

One fine day, we'll meet once more
And you will want the love you threw away before
One fine day, you're gonna want me for your guy, oh yeah
One fine day, you're gonna want me for your guy

Though I know you're the kind of girl
Who only wants to run around
I will be waiting and someday, darling
You'll come to me when your world is turning upside down, oh

One fine day, we'll meet once more
And you will want the love you threw away before
One fine day, you're gonna want me for your guy, oh yeah
One fine day, you're gonna want me for your guy
