

# Up The Ladder To The Roof

The Nylons

Come with me, come with me and we shall run across the sky  
We illuminate the night  
Oh, I will try and guide you  
To better times and brighter days

Don't be afraid to go up the ladder to the roof  
Where we can see heaven much better  
Go up the ladder to the roof  
Where we can be closer to heaven

Stay with me, stay with me, stay with me  
And we shall let expression ring, here freedom in our singin'  
Oh, memories of broken dreams  
Don't you know, don't you know they'll all fade away?

You got to go on up the ladder to the roof  
Where we can see heaven much better  
Go up the ladder to the roof  
Where we can be closer to heaven

We'll relax, I'll tell you the story of love  
How it is, the happiness in it, baby  
We'll combine these thoughts and together we'll travel  
To the fountain of lovingness

I will never, ever, ever leave you alone  
Don't wonder honey  
As we go along our love is gonna  
If we hold on longer our love is gonna grow much stronger  
So much stronger

Don't you wanna go? Don't you wanna go?  
Don't you wanna go? Don't you wanna go?  
Up the ladder to the roof  
Where we can see heaven much better  
Go up the ladder to the roof  
Where we can be closer to heaven  
Woah, up the, up the, up the, up the ladder to heaven  
Come on and go up the ladder to heaven  
Come on and go up the ladder to heaven
