

Help (Somebody Please)

The O'Jays

I'm lost; Girl done gone and left me broke

When you're broke

How low can you go?

Ahhh, I'm down, aww, and I feel

All the way down, all the way down

Aint had no good lovin'

Lovin little girl

In quite a long time, quite a long time

And you see, and you see

Girl it's a fight, honey don't you know?

I need you tonight

I'm hooked on your lovin'

C'mon, c'mon and fix me up. Aww, baby

I need somebody to fill this empty cup

I'm stuck out in nowhere

Nowhere, Nowhere

And nowhere in love just can't be fair

Aww, baby, I'm so tired of the squeeze

Girl, ohh, please I'm down on my knees

And I'm prayin' help

Ohh, Baby, somebody, please

Ah, girl, could you help me

To get back on my feet

If you could would you help

Somebody please

Ah, girl It's tough

woman don't you?

I need that stuff

I need somebody to come around to sit

And chat a while, hey, let's talk a while well, well

If I, If I only had a friend, a friend

One friend. It sho nuff would be nice, so nice

But I'm tired of the squeeze

Somebody please, I'm down on my knees

And I'm cryin: Help!

Help! Somebody please, somebody, somebody: help me

To get back on my feet

I mean! Help! Help! somebody, please

I say girl, it's rough, woman don't you

I need that stuff: good, sweet love, love lovin' you

Help! - Somebody please

Hey!

I'm cryin!

Girl cmon and. I just need you

Help me to get back on my feet

I just need ya' to get back on my feet

If you could, if you could, could ya help me?
