

I'm So Glad I Found You

The O'Jays

I'm so glad I found you
I'll build my world around you

You know that I need your sweet baby
Your good lovin' drivin' me crazy
Without it I just can't go on
'Cause darlin' my love for you is strong

Whatever I don't have, pretty baby
To keep you happy
I'm gonna get it
'Cause I'm mad about you
Can't do without you
You know that I need ya
I never can leave you

Oh-oh
(I'm so) I'm so glad I found you (Found you)
Oh baby
Hey, I'm gonna take and build my whole world around ya
(I'll build my world around you)
Oh

Each day without you is like a week
(Day without you like a week)
Livin' in darkness never daylight for me
(Never day or night for me)
A never ever needing your tender kiss
'Cause I never dreamed I'd feel like this

Again and again I've been hurt
I found heaven right here with you on Earth
I'm mad about you, can't do without you
You know that I need ya, I never can leave you

Oh-oh
(I'm so) so glad I found ya (Found you), oh baby
I say the Lord blessed the day, blessed the day
(I'll build my world around you)
That I build my whole world around you

Hey
Would you believe?
(Each day without you's like a week)
(Never day or night for me)

Again and again I've been hurt
I found heaven right here with you on Earth
I'm mad about you, can't do without you
You know that I need ya, I never can leave you, oh

(I'm so) so glad I found ya (Found you)
Hey baby, hey
I'm gonna build, I'm gonna build my world all around ya
(I'll gonna build my world around you)
Yes I am, oh baby
(I'm so) I'm so glad that I found you (Found you)

Yes I am, hey baby
I'm gonna take and build my whole world all around ya
(I'll gonna build my world around you)
Yes I am, oh baby
(I'm so) I'm so glad, so glad I found you (Found you), yes I am
