

# I Miss You

The O'Jays

I miss you  
Yes I miss you (Miss you, miss you) woo  
I miss you

I miss phoning you at breakfast  
About 7:15  
Just like having toast and coffee  
It was part of my routine

I miss you waving from your window  
As I'd run past your house at 8:00  
Tryin' to catch my bus  
So I wouldn't be late

I miss you in the worst kind of way (Darling I miss you)  
I miss you more and more each day (Darling I miss you)  
I wonder if you miss me too (Really, really miss you)  
Half as much as I (Darling I) miss you, oh  
Baby, baby (Miss you)

Mmh-mmh, I miss seeing you at lunchtime  
In the park where we'd meet  
And we'd end up feeding pigeons  
We where too in love to eat

The bench we sat on now seems empty  
The life I live now empty too  
'Cause I can't get used to livin'  
My life without you

I miss you in the worst kind of way (Darling I miss you)  
I miss you more and more each day (Darling I miss you)  
I wonder if you miss me too (Really, really miss you)  
Half as much as I (Darling I) miss you, oh  
Baby, baby, baby  
(Miss you) I miss you  
Ooh baby, baby (Yes I miss you, miss you) eh-eh-eh-eh  
Yes I do, yes I do, oh baby (I miss you)  
I miss you, I miss you  
Hey baby (Yes I miss you) I don't know, but I'm gonna see if you leav  
e (Miss you)  
Oh baby, oh baby

I miss ya, yes I do (Darling I miss you)  
(Darling I miss you)  
(Really, really miss you)  
(Darling I miss you)  
(Ah-ah-ah)
