

# Make Up

The O'Jays

Few days ago we were inseparable  
Love so good just want more  
Man how things turned I can't get to this  
What a 360, what a two years  
Never fussin' never no arguments  
I was so happy, something I missed  
Irreconcilable differences  
We're not compatible,  
I ask why nobody knows

Why don't we make up  
We didn't have to break up  
In the first place  
No, no

Was it because I work like this  
The overtime, the dinners I missed  
The things you wanted I had to get  
Life is cruel, heartache rules  
Someone tell me what happened here  
I'm kinda confused, I'm just not clear  
How a love be gone  
When it was just here

Why did we break-up  
We belong together anyway  
Why don't we make-up?  
We didn't have to break up  
In the first place  
No, No.

You see baby  
Maybe I'm on the road too long  
But baby I always come home  
Cause that's where I wanna be  
With your love all around me  
Girl what we have is so strong  
And with a few words, it's all gone  
And I feel  
Something you're not telling me  
You're not telling me

Why don't we make-up  
We didn't have to break up  
In the first place  
No

Why did we break up  
When we belong together  
Anyway

Why don't we make up  
We didn't have to break up  
In the first place  
No  
Why did we break up

(repeat until fade)
