

Strokety Stroke

The O'Jays

You make me tumble whenever you're near
Ooooh, I like that when you touch me my dear
Do it, don't stop, girl give it all you got
You're acting like you don't know what to do
Girl don't worry, I'll show it to you
Then you can have me
Have me any time you want me
Want me, want me, want me, I say

Come on girl
Come on do me, baby please
Come on, you can do this to me
You'll get used to it
Come on girl, letcha have it!
Come on baby
That's it! Ahhh

Strokety stroke stroke, stroke, stroke, stroke, stroke
Strokety stroke stroke, stroke, stroke, stroke
