

Angels

The Oak Ridge Boys

We all got angels, on our shoulders
Watching over, wherever we go
So if you're thankful, for your angel
Say hallelujah, and let them know

Hallelujah, hallelujah
Lord I'm so thankful
We all got angels
Hallelujah (hallelujah)
Hallelujah (hallelujah)
Lord I'm so thankful
We all got angels

From the second you walked into, this wonderful world
There wasn't a moment, you were on your own
You've always had an angel, watching over you
Know that you're never, all alone

Hallelujah, hallelujah
Lord I'm so thankful
We all got angels
Hallelujah (hallelujah)
Hallelujah (hallelujah)
Lord I'm so thankful
We all got angels

Hallelujah, hallelujah
Lord I'm so thankful
We all got angels
Hallelujah (hallelujah)
Hallelujah (hallelujah)
Lord I'm so thankful
We all got angels

I'm so thankful, we all got angels
