

It Takes A Little Rain

The Oak Ridge Boys

Sometimes we're friends
Sometimes we're strangers
And though there are tears
There's always love

It hurts when you cry
From words thrown in anger
Warm feelings run deep
But that's not enough

It takes a little rain
To make love grow
It's the heartache and the pain
That makes the real heart show

Where the sun always shines
There's a desert below
It takes a little rain
To make love grow

Hearts disagree
Then they grow closer
Honesty wins
When it's someone you trust

Forever takes time
True love is never over
It's filled with new starts
Just look at us

It takes a little rain
To make love grow
It's the heartache and the pain
That makes the real heart show

Where the sun always shines
There's a desert below
It takes a little rain
To make love grow
