

# Love, Light, and Healing

The Oak Ridge Boys

We wish you love, light, and healing  
Home, family, and faith  
We all need love, light, and healing  
Home, family, and faith  
We all deserve love, light, and healing  
Home, family, and faith  
Let's pray for love, light, and healing  
Home, family, and faith

We pray for peace, we pray for calm  
We wish you open hearts and open arms  
Please grant us mercy and happiness  
Let us rejoice in the joy we have

We wish you love, light, and healing  
Home, family, and faith  
We all need love, light, and healing  
Home, family, and faith  
We all deserve love, light, and healing  
Home, family, and faith  
Let's pray for love, light, and healing  
Home, family, and faith

We ask for comfort, we ask for wisdom  
Please lift our spirits, it's all we've been given  
Please embrace us, help us find the good  
Help us do what's right, live for the truth

We wish you love, light, and healing  
Home, family, and faith  
We all need love, light, and healing  
Home, family, and faith  
We all deserve love, light, and healing  
Home, family, and faith

Home, family, and faith

We wish you love, light, and healing  
Home, family, and faith
