

Mama's Boys

The Oak Ridge Boys

Some men are brave, some men are tough (ah you don't wanna call
my bluff)
Some make a living working with their hands
There are people just like you and me (there's more to us than
what you see)
At the end of the day we're all Mama's boys

Daddy taught us to be strong and the way that we should live
Mama taught us about love, embracing to forgive
We've been known to raise some cane and to make a little noise
And at the end of the day, we're all Mama's boys

When we young (Mama tucked us in)
But even after we were full grown men
She wandered down a path that leads nowhere
She said sometimes life can push and shove
When you tell yourself (I've had enough)
Remember there's a friend who's always there

Daddy taught us to be strong and the way that we should live
Mama taught us about love, embracing to forgive
We've been known to raise some cane and to make a little noise
And at the end of the day, we're all Mama's boys

Daddy taught us to be strong and the way that we should live
Mama taught us about love, embracing to forgive
We've been known to raise some cane and to make a little noise
And at the end of the day, we're all Mama's boys
And at the end of the day, we're all Mama's boys
