

South Alabama Christmas

The Oak Ridge Boys

Ain't no snow gonna fall this Christmas
At least not where I come from
The only drift there may be
Is a warm gulf breeze
As we're waiting for Christmas to come

Santa Claus ain't gonna fall down our chimney
Our double wide has no chimney you see
But that don't mean we'll miss his presence
As we're singing our children to sleep

Merry Christmas
And sweet Christmas dreams to all
Merry Christmas
From South Alabama to y'all

Merry Christmas
And sweet Christmas dreams to all
Merry Christmas
From South Alabama to y'all

And from South Alabama
Good night
