

## Then You'll See

The Oak Ridge Boys

Whosoever believes on His name is forgiven  
One who's sincere will see His face  
Whosoever remains by the side that was riven  
Will surely be blessed in His grace

When I'm in need I call on His Name  
And He always answers  
In darkest hours I have no fear  
'Cause He's always near me  
He moves by faith not by our deeds  
Though it's hard to believe in things unseen  
First you believe then you'll see

Whatsoever our sins, indeed we are driven  
Through all those times, He loved us still  
Whatsoever we ask in His name we'll be given  
For to prosper in faith is His will
