

## All the Way Blue

## The Ocean Blue

Show me the way to your heart  
Show me the way to your heart  
I can delve in your ways of magic  
I can learn all your ways of love  
Show me the way to your heart

All the way  
All the way

Show me the colors you see  
Show me the colors of romance  
I can see through your rosy glasses  
I can see through the rosy glass  
Show me the colors you see

All the way blue  
All the way blue  
All the way blue  
All the way

And I know what it is you feel  
And I know what it is you know  
And I know what it is you (?)  
And I know where it is you're going

All the way blue  
All the way blue  
All the way blue  
All the way
